

**Western Regional Youth Association/  
Rockville School Park Foundation  
Banner Form**

Thank you for your past support of WRYA and helping to make Rockville School Park a beautiful and safe place for the children in the region. The Rockville School Park Foundation and the WRYA baseball, softball and soccer programs continue developing the park and offer organized sports for children throughout the western portion of the county, as well as a walking trail utilized by many in the community. We hope you will choose to continue your support through reordering a banner to be displayed on the athletic field. Your contribution will ensure that our organization continues to have funds for capital improvements, as well as the operating expenses associated with maintaining this facility (i.e. insurance, parking lot maintenance, grass cutting, etc.). Though we enjoy some support from Hanover County, this Park is funded primarily by our sports participants and fundraising.
